

## The Torino-Piemonte Contingent

### The Torino-Piemonte Contingent

Nearly a dozen companies from Italy's Torino-Piemonte region are exhibiting at **Booth G165 in Hall 1**, headed by the Italian Industries Association for Aerospace and System Defence (AIAD) and

Italy's Ministry of Defense. Torino, capital city of Piemonte, is home to Alenia Aeronautica, Thales Alenia Space, Avio Group, Microtecnica and Selex Galileo. Present at the Italian pavilion here are Fidia, Idrosapiens, LMA, Nuova Cumet, Prestel Elettronica, Prima Industrie, Sime, Soder, Torneriezs Tubiflex and Piedmont Aerospace District.
